Do you know which days or weeks of July you'll be in the city? I know it's goofy to ask this far in advance, but in order to get the best prices on plane tickets for Dyl and me, I need to do it soon and I want to be sure that I go when you're there and I can see you.

We had such a good time today, you wonderful man. Thank you for bringing us to New York and for treating us to Jojo's much improved driving skills since you and I test drove with him that first day, about 20 years ago, when he got his license. 😊 And I trust him so implicitly, that I actually let him take [REDACTED] all by herself to Fairway, her favorite grocery store, and back to the apartment. She felt like such a big girl! She got such a kick out of seeing hundred dollar bills in every compartment too. Sending you such a big hug, S
