Tried to call  
03:59:30 pm

Sir ❤️ With my O1 visa I could apply for part-time classes, it should be less than 12 credits, so I could take 2/3 classes on campus.

Transfer visas from O1 to student F1 takes up to 13th months

Are there other classes to take at the same time. Otherwise it is 3 hours a day max. And not enough full time. !!, I want you busy, scheduled. Disciplined. etc.  
02:25:20 pm

Understood. I probably could attend other lectures (without official permission). But the whole point is that I don't spend too many hours at school, due to working visa type...  
I probably have found another solution; will know for sure this weekend...  
looking forward to seeing you, Sir  
Hugs ❤️
