I have reached the school today, they said that from what they see... visa is still in process.  
Also, the school allows me to skip 4 weeks, it means that last date when I will be able to enroll this semester is on October 7.  
  
Sir, when are you leaving to Paris?  
May I put several boxes with my stuff with you?  
03:54:58 pm

Sir, I was calling about to ask to put some boxes on the plane with you tomorrow if it's possible and if it's ok with you of course.  
Please let me know... 🙏❤️
