Where is your physical body today

02:19:01 am

Deepak

The body is a human construct for an experience of shifting sensations and perception . It's a useful fiction!  
Tonight in Denver  
Where are you ?  
I have a BIG event in Miami next week in case you are there !

04:12:11 am

what day?

10:54:24 am

Deepak

I fly to Miami on Monday  
Speak on Tuesday  
The lecture is sold out but if you want I can try get some complimentary VIP seats but will have to know today  
I can also visit you late Sat afternoon in NYC and update you on my situation if you are available

03:22:55 pm

Why not fly to palm beach Monday, stay and go to Miami Tuesday

03:23:54 pm

Deepak

I have contractual obligation to my publisher to do media  
Depending on what time I get in I could visit  
Let me find out  
Boarding flight in Denver right now so won't know until later today

How consciousness evolves as technology and reinforces our inseparability and  
fundamental entanglement in the deeper reality !  
Unfortunately that includes our entanglement with world insanity !

Consciousness determines behavior of matter at a fundamental level  
I mentioned the quantum Zeno effect in You Are the Universe

05:59:51 pm

I can come down if easy

06:42:34 pm

oo

Deepak

Actually it's fine now so shall I plan 3 at your place  
I'm making plans for cozy evening
