He said he did not want to wait
I'm meeting his people again today to outline clear vision and best case scenario for
Future of Well Being center in Florida - Lake Nona
He wants to move
May end up with 2 separate projects
I'm currently confused

Term sheets. Only. Ask them to provide. I will provide you with a lawyer . . free does not mean two projects. . you want to be free. Don't forget

10:57:35 am

Your side. . an upfront payment. A min yearly payment to be increased on use of ip. . brand rights. I suggest the following. 20 million up front. 2 million per year. Guaranteed for 10 years. Supported by a letter of credit. etc. . they should have rights to all new ip. All to be split 5050 . . your payment is a fraction of REVENUE. Not profit.

Space time and causality

Space begins when we have a body
Time begins when we start thinking
Causation begins when we apply limitations (from the Vedanta)

Nonlocal being lives in existence awareness and bliss .
