Dear Ray & Legal Team,

I have had a chance to peruse the proposed term sheet with Chopra Global. Here are some comments and queries:

- Is it possible for us to define precisely, what "IP Assets" and "Non-IP Assets" are and define them for clarity? Also can the assets (IP/Non-IP) in the context of Chopra Enterprises be defined?

- Would this be considered as a derivative work of existing IP and how would this be handled going forward?

- In the Excluded Activities can we ensure that my consulting services for external organizations are covered?

- Currently my commitment to the Chopra Center is between 70-80 days annually & this covers every course and service that CC offers. The valuation of Chopra Enterprises was based on revenue derived from these services. My compensation has been \$120K/month, I would like that to be restored and guaranteed as a minimum. The 3% royalty becomes effective only after exceeds my compensation.

- In the Right of First Refusal, can we establish a defined timeline (e.g. 2 weeks) to make a go/no-go decision? Following that the CG management should commit to a business plan to actualize the opportunity. If on the other hand CG is not committing to the plan. Then I should be given the option to pursue directly.

- I feel strongly that we should invite an independent board of director to the board who has expertise wellbeing industry and also has expertise an entrepreneur in our domain. Tony Tijan (<http://www.cueball.com/>) who I know very well and respected in the industry with a proven track record is one potential candidate who comes to mind. Another person could be Steve Nelson, who is very well connected in the industry and also industry leaders such as Marc Benioff (https://en.wikipedia.org/wiki/Marc_Benioff). These are just my suggestions. I am happy to ask the people I had suggested to meet with all of you. But I would also welcome any person suggested by Ray, Matt or Alice.

- Chopra Global management team should commit to a business plan with milestones that are approved by the board .

- Chopra Global management team should commit to a business plan with milestones that are approved by the board

- Since I am being asked to assign all my IP to Chopra Global, even though the valuation was based on some of my specific IP utilized by the Chopra center currently I feel that this should be also tied to a performance clause to execution/milestones by CG.

Finally I have shared my long-term vision with everyone at Chopra Global. Before we

finalize our agreement, I would like the vision of everyone else in the partnership along with a specific business plan for the next twelve to thirty six months., with metrics, milestones and the plan to have a qualified CEO in our domain, along with a professional and new management team. I have made a personal commitment to myself to honor this partnership and if any of these suggestions, strike you or the other partners as unreasonable or unfair, I would like to understand why and how to move forward.

Questions. Are the tool of the devil. I suggest you say. This is what I am willing to agree to. Here is the definition of IP assets. No more no less. I want a five year guarantee of 1.4 m per year. Plus royalties. Here is who I want on the board. etc

02:53:20 pm

Only one partner joe or ray

03:26:34 pm

Deepak

Ray is not principal partner
Only Alice Walton is
Ray is inserting himself to hangout with Alice
Making an impression at my expense
He is supposed to be my friend

08:13:48 pm

08:14:26 pm

Shared workspace. We work and the other assemblage?

08:14:56 pm

Deepak

Joe is indirectly in the picture

08:24:23 pm

D

We Work
Assemblage all on hold as I don't know my future

08:24:58 pm

You make your future

08:25:10 pm

Alice is your friend. If possible I would ask Joe to become your 5050 partner. After salary. . so you would get your 1.5 m per year. Joe would , organize all afterwards. Whatever the reward. Split 50 50. . easy.

08:47:38 pm

All else is going to drive you nuts

08:47:58 pm

Deepak

V good idea
Let me reflect before I discuss with Alice
Thank you 🙏❤️❤️

08:51:25 pm

D

Dear Joe, As you are aware , what I lack in biz skills I make up in character. When we first met , I thought , wow. We can do this together. What I propose is that you and I form a partnership. I do the spiritual and you do the biz. After my salary of 1.5 per year. We split everything 50/50/. All my ip goes in. We agree on its value and its appreciation is splits 50;50. You can choose the value.

08:55:31 pm

We can make florida the hub and you can choose the spokes.

08:56:18 pm

Deepak

😲 Wow !
