I don't need to invite anyone else. Not for the dinner, maybe yes to Paris:) I have a free Saturday in Paris afterwards, on Sunday I'm at Terje's dinner in Luxembourg. Re your trip - I'd love to show you the best of my country, but you have to feel comfortable. Let's talk when we meet.

Are there any other ministers politicians etc thst you think might want to gather insights from Steve

11:36:33 am

Miro Lajcak

He is considered a friend of anti-EU parties, so "mainstream" politicians won't wish to be seen with him. But let me think.
