Oy

12:16:42 pm

Miro Lajcak

Some fun yes. But enormous pressure on me to run for President. In 3 hours will have another meeting with my boss, former Prime Minister.

ML

12:27:02 pm

1212 5333739

I assumed so.

12:27:45 pm

Miro Lajcak

My dilemma is how to say no without looking like an egoist

ML

12:29:10 pm

1212 5333739

Its like me trying not to look jewish

12:29:51 pm

12:29:54 pm

Miro Lajcak

Do you succeed?

12:31:00 pm

ML

1212 5333739

no

12:31:06 pm

Miro Lajcak

So? What's the right answer?

12:31:45 pm

ML

1212 5333739

No such thing

12:31:55 pm

Miro Lajcak

Are you suggesting they will hate me anyway?

12:32:49 pm

ML

1212 5333739

Balance - you only live one life. Would it be fun to be president. ? . yes they will hate you anyway. But the question is who are the "they". Public. Other leaders. ? or your family?

12:34:09 pm

You have spent your life in the service. Not sure how you resist the top spot. If you had played soccer , it would be an easier answer.

12:39:06 pm

oo

Miro Lajcak

I'm not really interested to be a President of Slovakia. I'd rather see myself in an international sphere. The party will hate me if I say no. And there is nothing for me to do in Slovakia in the future. My family is strongly against me running. They don't want to go through a dirty campaign.

I think it always come to the choice of riding a carousel or a roller coaster. . very personal

12:50:46 pm

I think all the choices at the end are the same. ! thats the key

12:53:24 pm

Neither one is all good

12:53:37 pm

oo

Miro Lajcak

True. Anyway, I don't expect a final decision today. It's more about the atmosphere. Will tell you after.

Its like the choice between bigamy and monogamy , bigamy is one wife too many - monogamy is the same thing
