A message from Mount Sinai Health System: You've created a MyChart account, but did you know that downloading the mobile app is the best way to get your medical records in your hands and stay connected?

You can use the app to message your doctor, view test results, request prescription renewals, manage upcoming appointments, and more! Download MyChart app today by CLICKING THE LINK BELOW and after installation, enter "MountSinai" (one word) as your provider in the app: http://mountsinai.rx.health/h0u7j
