01:28:39 pm

See message below from owner of the clinic : The challenge is to get a visa, they must have more than 50 millions rupiah in the bank, they need to get a precise itinerary for the whole time they will be abroad, the longest stay in Europe is where they must apply for a visa.. then sometime they have to go to Jakarta for an interview.

Might be best to have someone train someone you work with in the treatments. I know someone who can do that.
