I am very very diappointed. however you are my friend and i will help you but it is unlikely that you can ever work for me given how bad your decisions have been

01:02:52 pm

J

Jeff, I understand that I made a mistake, forgive me. I was familiar with that person, so I made a decision. I am very sorry for that.

01:08:54 pm

your judgment continues to be bad. these statements only confirm that you have lost your wahy
