Jeff, you told me not to write yesterday, but now it's a new day. You gave me everything that I could only dream of. I'm sorry that I upset you, forgive me. I thought about the consequences only from the positive side, this is my mistake. Yes, I did not ask you, because we did not understand each other. It will be a lesson to me, I will feel you better. Yes, they told me that I had bad energy when I came to you, I felt guilty without realizing it. Despite my stupid behavior, you still continue to help me. You are very kind to me.

What can I do for you?

Jeff, I talked to Dasha, she explained everything to me. I made a big mistake, forgive me. I understand it. I am very upset because I disappointed you. Not because I am returning to Russia. Thank you for not leaving me, for such a new opportunity. I will do everything to return to you so that you can forgive me. Thank you very much

Thank you, Jeffrey for all that you have done for me. You showed me a good life, I have the motivation to study for this. I hope you will give me the opportunity to apologize again in the near future.
