By the way, I'm fundraising for the queen louise home for children on stx. It's one of my favorite non profits. I fund raise every year for them for the past 10-12. It's the orphanage of the territory operated by Lutheran social services. Could I interest you in making a donation to home this year?

Good evening. I wanted you to know that the presentation to the Queen Louise Home for Children was excellent today. I named each of the businesses who contributed. The media came out in full force, coverage was great. The total donation presented was \$140,500.00. Thank you for helping me pull this off.
