I inquired and this is what i received. Hi Governor - I have a copy of a February invoice from Erika Kellerhals for the VI Legislation project ( but not addressed to anyone). It's for a small amount (\$2800), but it references a previous balance of \$88,115, for a total of \$90,915. I do not have a copy of any previous invoices which I presume were sent to Erika's client. I talked to Bill Blum who said that their client acknowledged the obligation but wanted to follow your directions on how to proceed.

I didn't give any directions before I began this project. Hmmm
