You say you want to learn . I repeated many times that "doing "is learning- :
reading, watching thinking come AFTER "Doing ". It seems you prefer talking about
life rather than living it.
04:05:33 am

Not one time have you asked " how can i help?" What should i learn? , would you like
something? Or can i get you anything. ? As you go to the kitchen. Affirmative desire
to learn
04:12:24 am

Yes
I understand
05:59:32 am

I will catch up
05:59:59 am

I have just arrived
Everything is good
Jeffrey, thank you so much for everything you do for me
