I don't have the patience. To explain the exact same thing. More than 2 times. I have tried 5 or 10. And I still get the same questions. Why. . . this , why the. Same exact why. s. . it is super silly. Sorry

09:47:55 pm

I have tried. But it seems without success. . my mistake

09:48:30 pm

And each time. You then. Say. I want to follow directions. I really do. I want to try , and then when it comes time. You ask the same questions. Somehow expecting a different answer.
