If you go to Santa Fe. You can go to the ranch
09:34:01 am

The combination of surging Russian share prices and a buoyant ruble has generated some of the best investment returns on earth in 2019. In dollar terms, Russian stocks are up more than 28 percent (and more if you factor in dividends). The S&P 500, by contrast, is up more than 16 percent. You heard it before anyone else
