[REDACTED]

No, I did tell her everything  
By our curiosity we climbed to the second floor, it's not good and ugly  
[REDACTED] accused us of stealing 😞  
We only took a few personal care items in the bathroom, just because we thought it was for us  
Sorry if we offended you, we didn't think that it would grow into such an unpleasant situation

No worry. But you should have asked

Creams and towels?

08:40:40 am

Can you tell me exactly what you took? Details for both of you. That would help

08:41:04 am

Yes, I took one small towel to wrap the wine I bought, it's not an excuse, I just did bad Personal care products as a deodorant, because we thought, it was for us and after us no one could use it like toilet paper  
Except that [REDACTED] took pajama pants, she said you like how they looks on her and she thought she can take them  
It's bad that we took these small things that have greatly affected our reputation it would be better if we asked

Hi [redacted].

This is Becca from Candid. I hope you had a great weekend! I was able to find that your aligners have finished production! I am looking into getting you a tracking number so that you can keep up on where they are in the shipping process.

I will let you know as soon as I have that tracking number for you and you can feel free to call or email with any other questions you might have.

Thank you for choosing Candid for your smile journey!

Best,  
Becca
