Good morning! There was a wrong prefix to [REDACTED] number. They talked yesterday. Do not think visa is a problem. If she has one to France it is valid as tourist visa for three months stay anywhere in EU. When we have finished the big seminar we have here right now on the 70th anniversary of UN (everything was streamed live, go and see on our website) the first stage of our Geneva event will start immediately after. August will be the peak month for preparations in Vienna and Geneva. I secured yesterday Palais des Nations at the heart of Geneva as an alternative venue to the Castle in the outskirts. I am meeting the Secretary General of the Ministry for Health tomorrow. Still in bed with the horrible bronchitis, but will have to go to the concluding session later today. How are you feeling?
