jeeitunes@gmail.com

Add it to the very long list

07:29:04 pm

Thank you for being such a moral suport... You don't give a fuck if I feel good or bad. I told you I was sick and you made me take a plane in the worst conditions ever after I told you I wasn't feeling well. If I came it was to see you. When you had fever in the Island I tried to be there for you with the little I could do. Tomorrow I'm going to Rome, at least my mother will take care of me. Sorry for bothering you.

08:01:04 pm

do you recall me asking you ,why you didn't tell me you are feelign sick before coming but like every other time. no no no non I'm not sick, sound familiar . I hope you will feel better. . I will no longer listen to any more of your complaints. there are too too many sorry, as usual you refuse to take responsibility, and prefer to blame your situation in almost all regards on someone else..

08:07:28 pm

I wasn't sick before coming. I got sick in the plane. Anyways I will no longer complain. I will survive

08:11:44 pm

read the list of all the above messages , in anyone of them do you see a quesiton how are you. are you ok? no just one complaint after another. . I am canceling my trip to europe.

I've always been there for you. I came to Miami to see you for 2 days. I always asked you how you were feeling. Always

And all those messages are recent since it was one week ago just before I flew to Miami. Don't ever say that I didn't ask you "how are you" since is NOT true. Ever
