how long ago did you get turned down. ? were you working in dubai? where did you apply. . what job did you have (I make no judgments). really ? what passport do you have , ? did you travel with a man ?

10:36:39 am

I got turned down in April this year, and previously I was working as a VIP waitress for 2 years then stopped and just worked as a model but on a tourist visa

Australian passport and no i travel alone

But the issue was I visited Iran November 2016 for the nose operation

10:38:39 am

jeevacation

did you write VIP waitress on the applicaiton?

12:30:55 pm

No because on my previous employment it says follow up clerk

12:32:02 pm

jeevacation

? follow up?

12:32:35 pm

and which office did you apply?

12:33:09 pm

[REDACTED]

What they registered me as under the contract I was working was a follow up clerk so guest relations

12:33:09 pm

Well I did the esta in Australia but it was declined then when I went to UAE i technically had no proof of income or job / residency in UAE because i was on tourist visa so when I applied in the consulate in Dubai I was rejected

12:34:09 pm

jeevacation

when were you turned down for esta? were you ever arrested? that is the issue not the income

12:43:46 pm

[REDACTED]

In January. And no never been arrested or in trouble with the law.

12:46:29 pm

I really don't want you to think I'm not capable of taking advantage of this opportunity I have. Really i wish you could see in my eyes for one moment how thankful I am and how I won't let anything stop me from getting to where I want to be is really my time this time.

01:24:53 pm

Thing I care most about is making my family proud of me and proving wrong to those who never believed in me or told me I was purposeless
