Jeffrey, could you let me know, if you will be in Paris anytime soon. I need to talk to you in person. Otherwise, I will see you next time I am in the US, if it is ok with you.

Hi Jeffrey, how r u? I am going to ask you for a favor. I need to get a mailing address that is hard to reach by the Turkish Consulate. It is nothing bad or anything. I just need a piece of mail to reach me as late as possible, but there should be also someone to let me know that mail has arrived, if it ever reaches the destination. I will explain to you in detail when I see you in person. Again, it is nothing bad or mysterious. I thought the island would be a hard to reach destination for the Turkish Consulate. If it is not a problem, can I give it as my mailing address? And if so, what is the mailing address? I need a real address, not a fake one. Please let me know, if it is not convenient for you. Thanks, [REDACTED]

sorry, island is as fast as new york

09:18:06 pm

[REDACTED]

Oh, ok then. I thought that it would be not as fast since there is not a Turkish Consulate there. Not a problem. Then I will give my address in LA. Thank you so much.

09:19:24 pm

You don't even make time to see me, when I tell you I need to see you and you ask for a sexy photo. Nope 😊

09:20:46 pm

As mature as a 3-year old 😊

09:22:13 pm

What r u doing in Middle East? That does not sound believable. It sounds like you are making excuses to avoid me, mister.

09:23:53 pm

You are not being a very good friend. 😊

09:25:48 pm

Here is my recent sexy photo 😊

09:27:14 pm

Kidding aside, please let me know when you do have the time. It is kind of important.

09:34:06 pm

I am cancelling NYC then. Send me a recent sexy photo of you.

10:01:59 pm

Just kidding.

JE, u r such a funny man. Tell me honestly. R u trying to avoid me? If so, I am not going to call you. If not, I will call u when I am in the States. I just want you to know that even if we have not kept in touch for 15 years, you are always dear to my heart. Like you say, you cannot choose your family, but you can choose your friends, and they become the family you choose. [REDACTED] and I always love you. We know your essence. You are spoiled and immature 😊, but wonderful in many other ways.

Hi Jeffrey, I am going to see [REDACTED] tomorrow or the day after. Do you want to say hello to her? Any messages?

2017/06/20

Hi Jeffrey, will I get to see you this time? I am returning to Istanbul on July 1st or 3rd. Originally, I scheduled my return flight from NYC to Istanbul because I wanted to see you. If you will not be in NYC, I need to change that ticket to LAX-Istanbul. Could you please let me know? However, I would love to see you, if you have sometime, even if it is just for coffee. I will see [REDACTED] tomorrow, if you want to say hello to her. xoxo, [REDACTED]

My dear, I wanted to meet you because I wanted to talk to you in person for you, not for me. It would have been nice, if you responded to my messages out of common courtesy. Please do not confuse me with your former acquaintances who betrayed you. I had your back even if you were not aware of it, because you deserved it. I value loyalty, but only if one truly deserves it. I could not contact you before because I did not have [REDACTED] and your contact info before New Year's. Way back when I got away because you broke my heart by a single sentence. Now, you broke my heart by ignoring my best intentions. But I just want you to know that I have been a loyal friend, even if you are not aware of it, because you deserve it. I am wishing all the best to you.
