So sorry - barely understood what you were saying. Just call me later if you want. And let's talk a little more about lawyers - [REDACTED] told me you don't think they are proper PAs and I was exciting to see your reaction when I tell you my profession anyway. 😊😊
Amazing.... 😊

Got to go to the circus tomorrow evening. I'll be home late anyway - so we can try to have a call around 6 or 7 pm New York time. If that fits you, you'll just give me a call.

So enjoy you're board meeting while I'm going to meet my bed. Good Night!
