I m sorry to say , you didn't make the last cut. . I know you have the skills and learning capacity. .

10:24:17 am

you will need to lose that russian accent. if you are to really be in business in the states. .

10:24:51 am

rightly or wrongly , people will make quick erroneous decisions , categorizes you as they would with a face tatoo

10:25:33 am

. it will take a few months to eradicate .

10:26:43 am

i m aware that in tennis , often it has been described as how you meet the ball. same thing in biz

10:27:25 am

It's okay.

Yes I understand more now the importance of it and will work on it
Thank you for your time
