Kevin kissed me on the lips when we were greeting each other today. Pen is super mad, kept making assumptions. He knows that nothing had ever happened between me and Kevin. Ever!! Not even a kiss. He also knows that we met through the agency (the boys know so was better to say that). Then he said that it's hard for him to digest this, also after seeing you with Karyna.... Don't know what to say, I said i needed time to take a walk.
