05:43:02 pm

[REDACTED]

I keep on telling you that it wasn't my gift. I want no part of it. It was Woody's idea entirely.

05:57:30 pm

[REDACTED]

No, your brain is thick like a brick. You don't learn. ;)

06:01:20 pm

I wanted to give you a picture of Woody and myself. An appropriate picture ;-). If I hear from people that you have told them that those books are from me I don't know what I will have to do to you. It might have to be the termination of our friendship :-). You want those questions answered by Woody don't you ? :-)

06:05:45 pm

If I were you I'd throw those books in the garbage. I don't like them at all.
