We received the lottery tickets. I'm hoping for the best. Thank you. Woody said if we win you get a cut. Woody said if we win you come on our plane.

I think those dates are very good for us as Woody will not be filming on the weekend. Thank you. I will tell Woody what you said. I don't necessarily agree with it though :-).

how much of that time would you like to spend in utah? I will work plan around you guys

03:16:53 pm

o

You are very kind. I can't tell you how much we really appreciate it. Going through this Bechet ordeal has taught me how important kindness is. I knew it before, but it is really not to be underestimated or undervalued. Now, because I'm so vulnerable and because Woody and I have been going on four years of Hell any act of kindness makes me cry. It also might because I'm in such desperate need of it. Unfortunately, I don't have all of the details. I would have to speak to her therapist, the educational consultant and my shrink to see what they think would be best. As you can see, a lot of people are involved in this terrible situation.

The lottery is 900 million. I could use that money. 😬😬😬😬

05:26:18 pm

My friend and I decided that even if we win the lottery we will still be keeping our Costco date on Monday. U probably don't know what Costco is.

Did you buy tickets for the lottery on Wednesday? I was just curious if you play when the jackpot is that high or if you find it a fools errand.

07:08:44 pm

How long did you tell me the trip was to Utah?

The men were outnumbered by the women tonight at your table. Are you becoming week or soft? Are you detoxing?

Woody texted you yesterday about the dates for Utah. Did you get his text messages? February 10 and 11th would be ideal for us. Is that possible and OK with you?

You told me her shrink didn't approve those days , but if something changed and you are certain I'll check with pilots adapt

Originally her shrink wasn't going to be there those days, but something was canceled so now she is available.
