Let's eat at the restaurants in the newly renovated Ritz hotel when we're in Paris. That will be fun.

Yes, Sunday.

10:51:11 am

When you get back to us please don't take as long as it's taking you to get back to us on Paris.

10:56:49 am

jeeitunes@gmail.com

fear of listening to " why did you leave us stranded in la - again. " requires certainty , if i am going to have a peaceful future . no lunch or walk today. . my meeting guy wakes up around 9

11:01:59 am

[REDACTED]

Yes, always a good idea not to leave your friends stranded.

11:02:49 am

We can have lunch with you.

11:05:52 am

jeeitunes@gmail.com

preferred time?

11:08:10 am

I don't want to be too demanding but the last time the food was cold. Can you please make sure the food is hot. Cold pizza and cold pasta are disgusting. Do you still want us for lunch :-)? Woody said that you should write back Woody meaning that you just want Woody for lunch today. Just so you know that won't go over well.;

11:08:31 am

12:15

11:09:06 am

I haven't heard back from you. Are you having second thoughts about inviting us to lunch because of my demands on hot food :-)?

11:16:49 am

jeeitunes@gmail.com

no i was just contemplating the consequences of saying just woody sounds like a great idea ? 😊 12 15 good

11:18:08 am

Sounds like a good idea to me too. I could go for Korean food with one of my girlfriends but unfortunately for you Woody won't to go for it. ;) He likes me around at all times. He's a pushover for pain.

11:21:31 am

jeeitunes@gmail.com

what would you like for lunch . ? sushi? italian. ? swiss ?

12:06:44 pm

[REDACTED]

Sushi would be great. California rolls, cucumber rolls, avocado rolls, salad, spinach, ediami, HOT mixed tempura, miso soup and fruit and chocolate cake for dessert. That's my order. I don't know what Woody wants. I'm only joking that's for both of us.

12:44:56 pm

Thx

12:44:59 pm

Woody also likes red caviar sushi and omelette sushi. Somethings to mull over. Aren't you glad you asked? :-)
