What about real egg cream
12:37:23 pm

How would you treat chronic prostatitis
12:38:14 pm

+1 [redacted]

Perfect. Will bring the milk (Lactaid), syrup and seltzer.
12:38:19 pm

I would do a cystoscopy first. After we get the repeat cultures. I would go for the anti-inflammatory route. Your entire body will feel better.

Does the culture pick up trich

12:12:36 pm

+1 [REDACTED]

No. We can do a urine test for that

12:21:30 pm

Will order it. When are you going to lab?

12:22:01 pm

Ok

12:33:11 pm

Trich is picked up in urine tests that you had. They were negative. Just ordered a STI urine screen that specifically looks for Trich.
