Oh my I bet it is stupid but there could be revolution of muffins 😊 I would need a big pink dress to attract attention it wouldn't attract as much men as your suggested nakedness, but youth and children and women, men come also to dressed women - and oven. I could sell then muffins on street and change countries to be recognized but I would need to find out if I can't get in jail and if somebody would trust to buy from me 😊 and on celebrations if it is possible to talk to local art schools and make for example for easters a big egg willed with muffins on a street 😊 okay that is lame, I just needed to share with my version of your idea.

I got some numbers, actually one girl is from America, but I was surprised how into guys all of them are. It's hard for lesbians, I feel them now. They just don't like even being friends with girls 😬

So I was where most girls were, but as girls they leave when they get drunk 😊 it was actually funny that one of the girls was from one agency I went to.

10:53:36 am

And imagine how crazy it is that all clubs are this full starting from Wednesday, but other clubs are worse. The rest of the weekend it will be seaside.

10:56:28 am

When you said about customizing everything nowadays I laughed whether there is a customized porn site 😊 that would be good one
