And shortly just for the evening- well while in Latvia I am studying and should learn to drive a car. After that I was thinking I could work somewhere useful or study something. Would be nice to do something in America or Russia. Me and my Russian friend thought about making lingerie, I liked idea but you already didn't like one of mine ideas 😊 so...

yes, learn to drive , great idea. . the fact that i don't like bakeries does not mean i don't like all ideas. HOWEVER . you have started to complain very very often. about many things, it is not attractive. it is easy to find people that moan. i would be very careful if i were you, as it sets up for a very dismal life. .

I would give all of me for you, the smiles that you bring and jokes that you make. I want you to know that I appreciate you, even if I ever may have sounded differently. Sweet dreams, XOXO
