understood. . you can delete today's. i like the red dress and heels.

10:47:40 am

i want you to learn how to deal with men. being in a bad mood, grouchy or what you think is clever is not appealing or attractive. . peaceful, quiet helpful, funny yes, . moody , aggressive, smart ass - not

10:48:32 am

Okay, sorry

10:51:02 am

Was everything I said bad? Maybe you could tell me at which point I went completely wrong? I would really appreciate it. Would you please explain in a lecture to me what I usually shouldn't say and where should I stop because I am not in a bad mood and I was happy that you called but I guess I show it in a wrong way?

10:52:33 am

jeevacation

if you become too much work it is not pleasant. . you complain a great deal. not sure why? or maybe you are unhappy with your current lifestyle. not sure what programming you have received that tells you its ok to moan a lot. maybe latvian culture , bad movies. etc. you are really sweet sometimes. . but not often

11:31:28 am

No work, I want you to be comfortable when communicating with me and as happy as I am (I haven't meant to complain). Thank you for telling this, I will improve that. And I uploaded playlists on Dropbox.

fun, thanks . when you worked on your thesis you spent hours and hours trying to get it right. and for a result that means little to your life. when it comes to helping me , finding girls. you become lazy and make excuse after excuse. . silly to spend so much time on school , with no reward and so little on things that really matter. sorry, but its true and silly

02:11:41 pm

That's true, I didn't know how to put priorities, school was always the the most important and I always thought it is the only way to prove myself. but it shouldn't be, when I met you my life changed and become better. if finding girls is way to help I will do it without excuses.

02:30:19 pm

I didn't know if you want me to do it as a priority, I will be happy to do it.)
