Good morning 😊 there is a short video on Dropbox. My graduation starts after 2h. Would you prefer if I ask my brother to call you or just record?

i want you to feel as if i am there , watching with pride. that you did it. if live makes you feel better do it. if recording it for me gives you a peaceful warm feeling do it. you are now a college graduate , you can decide :)

You can't imagine how much it means to me, thank you! There couldn't be a better gift in the world than just hearing this from you. ❤️

reminder, i know how hard and boring a thesis writing and defending is. you should feel good about this great accomplishment.

if you listen closely you will hear me applaud when they hand you your diploma. i will have to take my hand off my toy to be able to applaud with two hands ")
