12:15:22 pm

what were the interview questions did you give them the line about hard work?

01:08:08 pm

Yes, they Went through my whole CV and asked what I did in each place, how, why and what I gained from there. Then they told about two vacancies and asked which I like more, that was tricky.

01:10:45 pm

They called me now, I have to come Tomorrow again for preciseness test and I have to be able to write Forensic papers in 3 languages 😊fun

one idea is to say that you will work for free for the first month. and then since you really want the job they can decide to pay what they think the most you are worth.

11:46:28 am

Thank you 🙏

11:47:47 am

Just went out of interview, said that will give answer in 2 weeks, she is positive but board has to accept me. Just not sure what to do now... apply for other works or study something, I didn't know it takes so long. Thank you for your support, you are my hero

😊❤️
