Hope you're doing terrific as always. I just want to say thank you so much for the money you sent me! I really sincerely appreciate your help and I promise to do everything what is in my power. Could I ask you, how are you, how is your health? As for me, In this week in start of the day I was working and try to do English, after I went to English school for a class. In English school I have three type of class - at home, I read, listen, write and speak a different texts, and learn a new words and phrases, and I also can booking teacher for 20 minutes lessons - in this week I have 3 time booked as addition to every day lessons in school and independent practice in a free time. Thanks for this possibility. Three time a week before a work I had a horse riding, I prepare to competition. And I solved tasks for university. Since the next week I will go to massage courses on Saturday and Sunday. Hope you are having a great day. Thank you so much again.
