[REDACTED]

Hello) 😊 I hope that you have amazing holidays!) I want to send you 2 photo of my town, how i promise) It is a left coast of our city, actually we have city center, left and right coast of Irtysh river. the left part is usual dormitory area. There are just flats, shops and children place. There is nothing to show you only big snowdrift in winter, and to much green in summer, but for common understanding I send some photo of this Omsk's part. But when I will go to city center, it's the most beautiful part of Omsk, I send you pictures from there.
