often when i travel i have to go to meetings for many hours and prefer if the assistant is not left alone in foreign countries. it also gives me more peace of mind when going out shopping in strange places. so only if you find someone you trust

The first of February is the last exam and I will free!

05:36:28 am

jeevacation

how many days after that can you travel

09:54:50 am

I will free anytime, I will have a new exams in summer. I can take massage Lessons when I am at Moscow. And my English course was finished in December, because we take just for 3 month. And I would like to ask you, maybe better if I will take private class with teacher and we can use Skype sometimes. Because I think it's better, when I will speak with a teacher all time and she will correct my mistakes. When I was in a course I always speak with a students and I seems I need more control. And, of course, I use a book, which you gave me! I asked [REDACTED] about this one, she also think that it's better for my English. But I would like to know, what do you think about it?

10:08:52 am

jeevacation

its similar to my answer to jeffrey do you prefer blondes or brunettes. I say no need to choose i will take both. . same here you should do all three skype private and class. . each has its benefits

10:21:29 am

I agree with you) especially about blondes and brunettes 😊 well, i can take privet class on Sundays in this month still I have exams, and after I can take course one more time as in addition. Is it okay?

11:46:25 am

jeevacation
