07:21:30 pm

Don't say sorry, I loved it! I definitely like you so much, i feel myself the best I can with you! I'm not afraid... How explain, I prefer to have just one men, not more. It is my choice. And I have to decide inside me that I can trust you and open all my soul. I don't want to have so many mens, who I like, I want to have just one, before whom I can be completely open and I can be crazy with him and about him. I just asked you give me a time to get used to thoughts about you. I'm so sensitive inside, you know, it is not just about fun) do. you understand "girl reasons"?)))

asking for more time , over and over, and never taking real decisions is not a good indication of ability to get things done.

01:28:22 am

■■■■ said you can get TWO passports

01:30:40 am

Hello, thank you, yes I can get the second passport, but I have known about it in this month, sorry, when my valid passport has little time for traveling. Now I have another problem, any airlines can refuse to me flight, because my passport is finishing, every airlines decide it themselves. Unfortunately I can't find some normative document about it, but this information I got, when I was going to fly to USA the last time in airport. Of course we can try, but they can refuse and I have nothing to say them why they are not right.

05:55:11 am

I'm fine, thank you!) how are you? Do you know already, when you will fly to Paris?
