Hello) I would like to say: "Happy Easter 🐣". Two last days I was thinking about your attitude to religion and do you celebrate Easter or not, but I decided to tell it, because you like more when you see action than invisible thoughts)

tantric - on line?

10:11:04 am

[REDACTED]

Hello) Sorry, today was a busy day with two tutors and horse riding, I hadn't time for paying attention to my phone. Actually yes, i watched something, but I'm not sure that you mean it. Because when i had been in paris i asked you about tantric what is it in general, and you said that it is something sexual staff. But what i looked, it had just a smooth and delicate touching and as familiar usual massage but with this features. I would like to know what do you want and wait from tantric? Maybe you will have a time and sand me some web reference or maybe you explain me, please. In internet a lot of mixed information and i can't understand it clear.

03:24:06 pm

Please help me to knowing what do you want 😞

To be honest, I wanted to say that I am always here, if you need something) and I extremely wait the next trip) Hope you have a wonderful day! 😞

sign up for a toefl exam asap. take the first available to see where you are. it will help point out areas that need improvement. . until you are better in english, you probably should find some work in moscow. . I may be in e\rope mid may , if so we will meet. .

10:06:35 am

My toefl tutor suggests to pass it in may for this goals. But school has a simulator of the real exam, is it suitable? Available exam will in best way in the end of may.

10:22:37 am

jeevacation

not sure what that means. can you take a real test before end of may

10:25:55 am

I have checked 6 of may is probably available. I register and will say you.

10:36:15 am

I feel something is wrong, right?

10:37:12 am

jeevacation

yes , for some reason. when i ask you to do something, instead of just doing it. you tell me what someone else said ( tutors ) ..... or i think that... or can i do it this way. or can i get more time. . you write me with re assaya some gossip. , i ignored it as not sure what to do when you don't get along with people that have been around for years.

10:41:29 am

I need someone who focuses on learning, . doing the job , getting things done. . I am glad you are doing your horse riding. it is totally useless for your future but you spend time on that rather than learning skills that will benefit you. you have strong ideas. that you hold onto and they have not served you well until today , but you continue to hold on.

10:43:00 am

the idea that you would get in an argument with [REDACTED] over dasha , is an example of great error. your first priority is to yourself and your future, but you choose to get into girly issues. and get insulted and begin arguments. ITS SILLY and yes I am not happy about it

10:44:37 am

About the [REDACTED] I can give you the screen of messages between Dasha and [REDACTED] if you want. Sorry, I can't send the screen of our messages with Dasha it is russian, but if you want I can. I really study hard Jeffrey, i have every day toefl cours, plus Monday Wednesday and Friday I have British tutors who give me the grammar and make my language clearer. And I have Russian tutor 3 time a week. My horse is just 3 times a week between my tutor, is it much? I have just one priority right now it is english. Sorry, that I speak a lot, It is really my fault.

10:55:23 am

I met my friend just in festival days

10:56:06 am

jeevacation

i don't want to be a kindergarten teacher. [REDACTED] dasha are none of my biz. i have more important things to do then read girls texts. your job is to make things smooth. not rocky, reasons why , over and over is boring and you are not understanding me I don't care what the reasons are. that is not biz it is girls bullshit. if you can't get along with [REDACTED] , or the other people on the team. ( i know you prefer to work alone ) then you will always be by yourself.

10:59:53 am

in your interactions with [REDACTED] your prioritized dasha over [REDACTED] you took the side of your friend , that is admirable in school, in biz it is a prescription for failure. you need to learn to work with others. strife and conflict with an assistant that has been around for years over your hurt feelings is catastrophic for work

11:02:17 am

and since you decided to choose dasha side over [REDACTED] i suggest you ask dasha to help you find work

11:05:36 am

i tell you take the test asap. you tell me but my tutor said? ?????!!!!

11:12:55 am

Jeffrey it is unfair. Everything was good before the last situation. But I am still good with [REDACTED] I just didn't understand what she wrote me, I asked you, because she didn't answer me. I'm not prefer Dasha, you asked me befor, could Dasha come to a house? I said it is probably not, but I asked her, she sad me no. Why the [REDACTED] asked Dasha again? With a lie that she informed me about, she still told me nothing about it. Dasha said her that she can't. Futhermore i was flying during this time. Dasha Sand me screen after my landing. I'm sorry if [REDACTED] thinks that I must push on Dasha, sorry it is her choice. Actually I'm your assistant. And I polite with your different assistance, and I am ready to help if it is necessary.

11:14:01 am

Today i just suggested you to use the simulator, because it is faster. sorry, next time I will do just what you told.

11:15:48 am

jeevacation

I don't know or need the details. I am not a 16 year old girl. he said she said he said she said. you are not alright with [REDACTED] you seem not to understand how it is your job to get along with other assistants . not their job to get along with you . for at least the first few months.

11:17:37 am

please spare me any more of the girly gossip. i do not have the time .

11:18:14 am

Okay, sorry, what did I do wrong with [REDACTED] ?

11:18:58 am

jeevacation

re the simulator , it is the perfect example. . I told you what i wanted , instead of just doing it. you gave me a different alternative because your tutor told you. I have repeatedly said ,all you need to do is to follow instructions for the first six months, you can then offer suggestions but each and every time you feel a need to to things your way. . ver very very silly

11:19:57 am

I got it

11:22:02 am

jeevacation

The ability to get along with various types of people. , not having to be right, just getting along is a requirement for real biz. . whining. Complaining, , etc. I told you in the street about [REDACTED] instead of saying wow, I understand. It was 30 minutes of no no no, let me call her. I don't believe you, . All a waste of my time and yours. . the idea was for you to be right .??! I have no idea. Makes no sense to me. I tell you things that you don't like to hear. But I tell the truth. You fight me often, no no. Can't be true. I don't want to believe. Etc. not sure what good that does you

12:58:50 pm

Sorry, i was on lesson. In this case with [REDACTED] you are so important person for me and your opinion is also, but I know polina a lot of years, and I trust her, I don't have many persons whom I can trust, but I need to have them. And when you said about playing with polina, I was afraid that I can't trust anyone, if [REDACTED] is not such person. I didn't need to be right. I just tried to prove myself that [REDACTED] is really my friend. If it was said by not so important person for me, as you are, it would not matter. But, sorry, that I spent your time and displayed my truthful reaction.

02:37:22 pm

jeevacation

Excuse

02:41:32 pm

I just protect what I love, it is about who I am. I am not machine. If you don't want to know my opinion, I respect it, sorry that I say to much. But if I'm not ready for some actions, I can't betray myself as I can't betray you. You don't like when I do something without wish, but I can't have fake wish, you always see it. I do not understand what does it mean be open, if all my actions are wrong. I'm absolutely lost. Could you explain me pleaseee what I must do that you will happy with me?

in every walk of life. every complaint always is accompanied. by " I was just telling the truth about how I feel. " every wife , arguing with her husband, " I was just telling you how I feel " , a baby has no control over its crying , it tells you how uitfeels an adult. does not. how you feel is not relevant to others in biz. it is what you do. if you can t do the job , it ok, you say i can't do the job. in your dressage competition, if your horse stumbles do you go to the judges and say , my horse didn't hear my instructions, she is a nice horse , please give her points , give her more time, do you understand her.

10:12:32 am

I understand you clear. And I never say junge or teachers etc. understand me or how I feel, I know what I have to do and I am doing it. But if you want me to make some sexual things as your worker, I can't, I can do it just as person, who also want it.

10:57:41 am

jeevacation

sex hs nothing to do with it. [REDACTED] is a better example

10:58:18 am

i told you , but ..... you spent 1 hr of my time trying to prove to me that you were right. and then more time trying to explain why . then more time explaining. again you want to believe what you want and feel a need to explain it to everyone . though you are wrong

10:59:58 am

yes, only more excuses why you feel a need to be right. and try endlessly to explain. life is more lie the judge. no one cares but you why your horse didn't get a good grade, all the explanations are the same . usellss

11:01:56 am

Sorry. I just always think that reasons of the result sometimes can me decent to be heard. But you are completely right "life is more lie than judge" it still hard to get it for me. Sorry, for those situation, I will never do it.

11:10:25 am

jeevacation

imagine you complain to the judge OVER AND OVER AND OVER. just give me more time. let me try again. . my horse didn't sleep . i thought my teacher was good. i wasn't feeling well. . I wanted you judges to know how i feel. about what happened.

11:12:39 am
