and in the case of poling. I told you something as your boss. you called me a liar. , i don't believe it. etc. you then had to call [REDACTED]. that s what was important to you. not what i told you.

I'm rarely offended , but [REDACTED] did tell others how amazed she was that you would suggest that i am a liar

08:09:38 pm

Jeffrey, it is not truth, i never want to say that you are liar. It was a funny situation and i thought that you want to tease me. How you can think that i want to say that you are liar?!?! I feel very warm feelings for you. i would never say that you a liar, please.

08:18:33 pm

I'm sorry, that you felt bad in those situation. But you looked relax, and i never would think that it was awful. Sorry for that. Really. It looked like your tricky joke for me. Not as a serious situation. I just wanted to check can i trust [REDACTED] and all, because she always told me a different things about her, sex for one night is not familiar on her. It was my goal. But i really thought it was joke.

08:32:01 pm

Jeffrey, what is happened? Your relationship with [REDACTED] is not my business, why we talk about it so long time? It was a little joke, why is it so important right now? I never wanted to offensive you. About Dasha, Dasha sad no [REDACTED] during i was flying i didnt participate in this conversantion, Dasha had a work those day. The most important person for me right now is you. What i can do or what i can say in order to we start speak each other as before. Please Jeffrey i completely open before you, i feel hurt, that all my actions, words and feelings turned upside down. I have understand already where is my fault. Please, what i can do for you and for finishing this fight. what means your third message - you don't want me? I'm not a rock.

04:56:37 pm

you can start with telling the truth. [REDACTED] is important because i told you at least ten times i was telling the truth. but you decided you were not going to believe me it was more important for you to be right. . you said over and over in front of [REDACTED] I don't beleiveyou. re dasha you are also not being honest. and I don't like it. instead of trying to get dacha to help. you decided you did nt want her to work for us . TELL THE TRUTH . that s all i ask . she didn't offer the next night to help . or contact [REDACTED] and ask if she could be or any help. so i know you are not telling the truth. sorry. i told you day one, that the truth is what counts. you didn't feel compfratble with sex. ok, i said tell the truth its ok. but calling me a liar for over an hour in front of an assistant that has been with me for years only because you are stubborn to believe anything that makes you uncomfratbel has caused me great concern

09:40:13 am

in addition , embarrassing [REDACTED] to satisfy your need to be right was also very wrong

I now have to worry that you say, i know he said it was true but let me call my friends to see if he is telling the truth. our president could not have said. xxx. . ? our biz leaders would never. xxx. . since i trusted you with the truth re poling , you decided to check , embarrass her . - me . and no matter what i said , you said no no no i want to checkoff myself. .

09:56:26 am

the truth , begins with yes this is what i did ,

12:51:05 pm

To be right is not so important for me. Really important for me is you. Yes, this is what i did.
