Anna Kasatkina

Of course, its not what i want to see, but for now it is not so bad and i can see my weak side. Actually i want to say thank you that you insisted on it, sorry for my obstinacy. I saw that my writing and speaking skills are much better and so close to 30 score, but i had 4 text for reading, and i know that sometimes i lose concentrate when i do the same task long time, and after i had difficulties back to focus for listening, i felt it. And, of course, i need more academic vocabulary, it is my weak side on reading.

06:35:10 pm

Reading - 15, Listening - 9, speaking - 20, writing - 19
