09:03:40 pm

Starting to get stressed. Even went to pole dancing, and nearly have read the story of O that you mentioned.

09:05:02 pm

Do you like pole videos?

09:05:15 pm

jeevacation

yes, i like all your videos

09:05:25 pm

The story of O is the craziest thing I have read in my life

09:06:09 pm

When it is convenient for you, can I ask a question?

09:07:47 pm

jeevacation

Good now

09:11:21 pm

[REDACTED]

In last video, did it still look like a squirt? I mean in first time there was less liquid....

09:12:03 pm

jeevacation

yes , don't worry it wasn't pee

09:12:30 pm

what did you think of the story

09:12:48 pm

[REDACTED]

Well... so far, she was beaten till blood, raped and shared with everyone. Not really nice 😊

09:14:23 pm

50 shades of gray was more pleasurable than painful

09:14:54 pm

jeevacation

this is a political satire. you must read to end and then if you want read marquis de sade. it is not about pain . it is about the state raping its citizens, sharing them without regard. the aristocracy, taking advantage of those that can't fight back.

09:16:10 pm

you were not allowed to write bad things about the govt , so they wrote fiction that has a double meaning. for ex. it said the father should be able to kill his son. because the king could send the son to his death by putting him in the army and sending him off to battle. why shouldn't the father have a greater right.

09:17:47 pm

however the marquis de sade was put in jail for the books.

09:18:20 pm

dont worry, I don't like things that rough

09:18:37 pm

:):)

09:18:44 pm

Ha ha nice ending 😊 I wasn't worried, if you liked I would have stayed chained in Miami.

09:20:53 pm

jeevacation

did you try to ball gag

09:21:41 pm

But really interesting how they put the meaning of these books, I guess something similar to animal farm. I only thought they are more censored.

09:22:00 pm

jeevacation

yes exactly. the justine in the bedroom is very funny . if you understand who the characters were supposed to be. .

09:22:51 pm

Yes, I have video, just didn't know if I can upload a new one. And wanted to make sure it is a squirt not something else))) tomorrow will upload then

09:22:54 pm

Nearly ate the ball 😊 pillow is better

09:23:16 pm

jeevacation

also I will wait until you finish O to get more impressions

09:23:17 pm

these days I will be all the time with my friend... I won't be able to make a new video, but I will take it into account. Are you coming to France?

11:57:55 am

jeevacation

no problem we have plenty of time. . I m headed for wash dc today. wont know until after my meetings

11:59:19 am

Okay, can I ask now a question?

11:59:44 am

jeevacation

yes

11:59:52 am

How do you think, what should I do next then? Study in February or go to Latvia and do something there? I am a bit anxious ...

12:00:43 pm

jeevacation

the question is not where but what. . relax a few days to let your mind free. and then think about what you would enjoy doing. . learning. school, what skills you would like to improve. driving lessons even. . Ill pay,

12:04:45 pm

use the time to learn. . being free causes anxiety

12:05:44 pm

the weather is not nice in latvia. so i wouldn't go there unless you really had a definite reason. great opportunity. . biz offer. . if you go , get your own place or with a roommate so you are not lonely

12:07:53 pm

[REDACTED]
