But don't think about it, I would have to live in hospital for them to understand my health 😊 I wanted to ask you ... maybe If i stay in Barcelona i could go to some intensive language courses to fully learn Spanish and ballet? In regard to culinary courses they are also in Spanish so I need language if I go to them and they are for Japanese kitchen. But I talked with my father he said I have finished studies so have to find a job and pay everything myself.... So I wanted to ask your opinion on what to do. On Monday we move out again 😊 last days are so much fun

If it is okay to ask, how do you think - there are Spanish courses for 300 eur 2.5 h a day, 4 days a week till June and courses for 960 eur for 4 weeks 4.5h a day, 5 days a week. Which better, I guess the first one, no?

I am sorry, I hope I don't disturb, I am a bit uncomfortable to ask and I hope it doesn't cause inconveniences for you... I just have to pay today for Spanish courses but I don't have enough money on card, only cash... but I guess transfer from America takes long...

11:26:39 am

jeevacation

I'll check

11:28:26 am

They said a transfer would be okay if I send receipt that it is made, I have data to make it, but would you be able to do it? I hope it is not inconvenient... I'm sorry
