09:43:17 am

Of course I am serious I just had this photo shoot come Up last minute which I needed to do

09:43:51 am

I have done 3 trials so I was thinking to do 4 sessions a week per hour for a month which is 640 p/month

09:50:31 am

jeevacation

If I were you I would have had the piercing out ten days ago . That would have showed seriousness. You didn't

09:52:52 am

I know I 100% agree with what you are saying.

09:53:12 am

But this doesn't mean I am
Not committed at all when is the only thing I am focusing my energy on

09:53:32 am

I don't want to lie to you. I just haven't had time to go and do it and now since is the first day I am back is the first thing on my agenda this morning right after now I just finished my last free session

Every girl says she really wants to be successful but all anyone cares is what they see , not the blah blah , but but but . You've made a mistake you were given s chance but but but

09:55:14 am

You are smart .

09:56:44 am

when you say you didn't have time. . in two weeks . how do you think that sounds

09:58:13 am

takes either one minute with a wire cutter, or 20 minutes in shsop

09:58:49 am

[REDACTED]

Of course I see exactly where you are coming from but really only thing I'm trying to do is make sure that I can afford to struggle until I reach where I want to be... I know is a small thing but I should of made it a priority but for me when I had a time my main focus was to work out and go for a run.. and I'm

Sorry if I have made you have another perspective on me but I am 110% committed and believe in my self.. like I said I just landed back home last night first thing I did was go to my class and now I am Infront of the shop in less then 3 minutes

09:59:04 am

I really don't want to lose this oppportunity I have so I would really appreciate if you would just give me a few minutes and you will see is gone

10:01:32 am

Done no more piercing I go home now and take pic
