2	2019-07-26 15:28:25					"Ok, sounds good! C-19 is looking for some help on a Darknet Threat matter involving Epstein matter. They are looking for technical help, but mainly OCE help. Need to engage the person who posted the threat and try to get them to another platform. Would have been a good fit for you but it doesn't make sense if you will not be around next week."	Messages
