[REDACTED] [REDACTED]
in April 1996, [REDACTED] flew alone to New Mexico, where she spent a weekend with Epstein and Ghislaine Maxwell. [REDACTED] specifically remembers telling Maxwell that she was a junior in high school because they discussed her homework, her plans for the upcoming senior year, and her desire to attend college. Maxwell encouraged [REDACTED] to massage Epstein's feet with her and showed [REDACTED] how he liked to have his feet rubbed. Second, [REDACTED] went to the movies with Epstein and Maxwell to see Primal Fear, and outside the theater, Maxwell pulled down Epstein's sweatpants a bit in a joking manner. During the movie, Epstein again held [REDACTED] hand and stroked her arm, but he did not appear to be trying to hide this contact from Maxwell. Maxwell insisted on giving [REDACTED] a massage during which [REDACTED] was either partially or fully nude. The massage took place in a room with an open door leading to the next room where Epstein was located, such that Epstein may have been able to observe [REDACTED]. During the massage, Maxwell rubbed [REDACTED] chest, touching the sides of her breasts.

She said she was 15 when she first met Maxwell, but the "records" showed that she was in fact 16 years old. She explained that she met Maxwell at Mar-a-Lago, where [REDACTED] was working as a locker room attendant at the time, and where Maxwell recruited her to come to Epstein's Palm Beach residence to massage Epstein. Epstein and Maxwell asked [REDACTED] questions about her background and difficult family life, and she told them truthfully how old she was. Epstein and Maxwell then directed [REDACTED] to take off her clothes, and the massage became sexual. Maxwell and Epstein taught her how to engage in sex acts. For example, Maxwell and Epstein taught [REDACTED] how to perform oral sex and how to engage in anal stimulation. Maxwell and Epstein would tell [REDACTED] to look for and recruit young females. Maxwell taught [REDACTED] how to recruit younger girls for Epstein by taking [REDACTED] on shopping trips, during which Maxwell would demonstrate how to recruit girls and would make [REDACTED] practice doing so. Maxwell taught [REDACTED] to recruit young girls by saying, "I know this really nice guy who likes to help people out," adding "you can make some money," and noting that the man could help the girl with her education or being a model. After the recruiting process, Maxwell schedule the girl to come to the Palm Beach residence at a particular date and time. During her period travelling with Epstein, [REDACTED] spend most of her time with Epstein, Maxwell, and [REDACTED]. When that group spent time watching television or movies together, Maxwell would sometimes initiate sexual contact by taking off her clothes and telling [REDACTED] to give her oral sex. Maxwell would also involve [REDACTED] in the sexual contact, all while Epstein was present. On one such occasion, Maxwell used a sex toy on [REDACTED] in a way that was physically painful to [REDACTED]. [REDACTED] generally described Maxwell and Epstein directing her to engage in sex acts with other men. Maxwell told [REDACTED] that she was going to meet a prince and should make him happy and do the exact same things for him that she did for Epstein because the prince was a good friend of Maxwell's.
