Copy.

This is the priority. Have them read you the DOB.

Thanks.

Sir,

I haven't received the passport photos yet to match the DOB. However, the name is very unique. I will follow up with you as soon as I get the photos from WFO.

Thank you.

Best,

Morning.

Please run the alias in Sentinel and let me know what comes back. Also, fwd the photos of the bio page and all the pages of the passport, including front and back, when we get them.

Thanks.
