Sir,

Unfortunately, we don't have photos of additional pages from the passport (at least not in Sentinel.) We need to check for the original SW evidence photos disc, but I am not sure they took photos of additional pages.

Thank you.

Sir,

The Austrian passport was in **MARIUS ROBERT FORTELNI**'s name with Epstein's photograph. Please see photo attached (not helpful.) The original Search Warrant-Evidence photos were saved in a disc, and I cannot access them in Sentinel.

Please let me know if anything further is needed from us.

Thank you.

Best,
Alex

Good afternoon, Sir,

We are tracking FBI NYO seized one Austrian Passport with Epstein's photo and a different name (**1B76**), and we knew of five U.S. expired passports. We don't have any additional documentation to show that he traveled under a different name.

Please let me know if anything further is needed from me.

Thank you.

Best,
Alex
