Hi [REDACTED]

I removed all the "agents/reviewers names". As discussed, the document should only display the following:

1. Folder name
2. # of images
3. #of videos

Please review the attached draft and please let me know if any additional edits are needed.

Thank you.

Best,
[REDACTED]

Subject: 50D: 1B136 (Responsive material) Review of Videos and Images

Hi [REDACTED]

Here's the attachment. I removed the first tab with the reviewer details somehow.

1. Please save a copy and remove line #3 within every tab (30 total) which states "Reviewer: Agent Name"
2. Attach to a clean email with below content.

[REDACTED] knows you'll be sending tomorrow. Thank you so much! (I hate One Drive)

Evidence Item 1B136 contains responsive data obtained from evidence items which were seized through sealed search warrants.

Review Summary:

- The majority of the files are Internet image and video-based files, including commercial adult pornography.

- Some images are of nude, age difficult females in sexually suggestive poses, in various locations including a beach, and an apartment.
- Some images are of nude, age difficult females appeared to be located at various residences owned by Jeffrey Epstein. In these images, the women are solo, or with with multiple women, and in approximately 20 images, Epstein is with the topless women.
- Some images contained identifiable CSAM possessed by Epstein, but none of the CSAM was produced by Epstein.
 - None of the non-commercial videos and images with nude females have 3rd party men.
 - None of the non-commercial videos and images depict adults engaging in criminal activity.
 - Epstein was observed in multiple videos but not engaging in sex.
