Happy Sunday!

[REDACTED]

Epstein 1B136 is complete and available for review in DCAP now. We must begin review first thing in the morning. You guys are the only ones currently with access. Please assess and divide the work to provide accurate description of contents asap.

Please refer to attached serial with responsiveness review. Hope this helps to steer you to the flagged contents.

Please reach out to me tomorrow with your progress. I will be back in FBIHQ through Wednesday.

When 1B136 is complete or close, we must continue with the rest (1B144-1B146). See status below.

Thanks

1B136 - complete for viewing as of right now. Please start review. Content is 85gigs out of the 2TBs.

1B144 - 8TB, mostly non human readable. Need to reach out to Stacy from WFO CART.

1B145 - is 82% restored. Could take a total of 11 days before viewing to start reviewing.

1B146 - complete for viewing as of right now. Please start review. Logs and Administrative.

To do:

Knock out 146 then assign folders of 136 and prioritize accordingly.

136 is essential to get reviewed ASAP.

Thanks.
